

AUDITORIUM | 290/400/600 seats

DESCRIPTION

Completely renewed and extended during summer 2019, the Auditorium offers a new setting for your conferences until 600 attendees. Comfort, quality of service and modularity are the key words to describe this space, adjustable to 290 or 400 people thanks to semi-opaque curtains. With high definition projection equipment, as well as a 10-metre screen, the Auditorium guarantees unrivalled image quality as well as flexibility in the choice of your projections. An audiovisual system operated by professionals, to ensure technical control of your plenary sessions, conferences, general meetings, and so on. Present before and during your sessions, our production manager can meet all your needs: staging and image presentation, stage and ambient lighting, etc.
